

PROFESSIONAL SUMMARY

Dedicated Analytical Chemistry Demonstrator with hands-on experience in laboratory instruction, chemical preparation, and student mentoring. Proven ability to manage lab environments safely and effectively, with a strong foundation in analytical techniques and software tools.

EDUCATION

Minia University

Bachelor's Degree in pharmacy
2016 – 2021

SKILLS

- Laboratory Techniques:
Titration, Spectroscopy (UV-Vis)
- Analytical Software: SPSS, Microsoft Office Suite (Excel, Word, PowerPoint)
- Additional Skills: Student Mentoring & Support, Time Management, Communication & Team Collaboration

CERTIFICATIONS

- SPSS
- EndNote
- Lab Safety

WORK EXPERIENCE

Analytical Chemistry Demonstrator

Analytical Chemistry Department, Minia University –
Minia, Egypt

December 2021 – Present

- Conduct laboratory demonstrations and support practical sessions for undergraduate students.
- Prepare chemical reagents, calibrate instruments, and ensure safety compliance in lab environments.
- Provide feedback and guidance to students in both laboratory and theoretical aspects.
